President's Corner

By Dennis Reddinger

Hello and welcome to another car season. I hope to see many of the club members at both club and non club events this season. I would like to thank all the members that attended the successful meet and greet at the Old County Buffet in Harrisburg earlier this year. It was exciting to meet quite a few members and discuss new ideas for the club as well as the future direction of the club. I must continue to stress that the club will only go as far membership participation. While I am aware everyone will be very busy over the summer season, please make sure to join myself and some of the other club members at a car show or two throughout the season. See you at the monthly meeting and the shows.

Dennis

Editor's Corner By Scott Sipe

Welcome to a new car show season! It looks like we finally made it past the late winter and the snow that it brought us. It's now time to get those Mustangs out of the garage and start preparing them for the car show circuit. Some members have already started their season by attending shows in the Southeast. The club has already held their first meeting of the season and has begun the process of planning official club events for the season. Make sure to attend the meetings every month to participate in deciding what events the club will attend throughout the year. The club's official hosted event is the AACA/MCCPA show on Labor Day weekend at the Hershey Antique Auto museum. The club is in need of volunteers to help begin the planning process. This year, the Board would like to have a planning committee in place to work on gathering sponsors for the car classes, items for the silent auction and other administrative duties. To sign up for the committee, you can either attend a meeting and talk directly with a Board member or you can email Dennis Reddinger at densnpy@aol.com or Scott Miller at scottyB52S@aol.com. Other possible ideas for this years season includes cruse-ins to Hollees Ice Cream in Harrisburg and a club picnic at a public park.

Since the club only meets once a month, it is important club members use the forum on the website as a way of communicating information with each other. Take the time and open up a thread in the forum to discuss an event you know of that you would like to share, a Mustang or parts you are looking to sell or anything else related to the Mustang hobby. Let's see a lot of activity this year with the forums! As a final note, let's have a safe and enjoyable car show season! Come on out and show your support for the club. If you know anyone else who is interested in Mustangs and is not a member, bring them along to an event so they can what fun they are missing.
See you at the shows!!!!

Cruise-in Columbia 3rd Annual Cruise-in Columbia Car show Saturday June 16th 2007 you must pre register if you want to have a spot I will have flyers at the next meeting to fill out.

The Markets at Shrewsbury have a cruise with hundreds of cars its held the last Friday of the month from 5pm to 9pm. Just off the Glen Rock exit of Rt 83 south.

For more car show related activities log on to www.carshowlink.com or you can subscribe to the cruise news. Some of our members have subscriptions already.

Our show is Sunday September 2nd 2007 9am to 4pm at the AACA in Hershey Rain or shine. We now have flyers for everyone to pass out.

Old Business:

We are still using the old logo and until we sell all of those shirts we will not be ordering the new logo shirts. We are keeping the old logo and using the new logo as an alternate logo. For our business needs we will use the old logo. You will be able to decide between the two logos its your choice.

New Business:

We had our meet and greet at the Old Country Buffet and 35 members were in attendance. Big thanks goes to Dennis and Scott for making it happen. Everyone had a good time.

We are going to have a Cruise In at Hollees Ice cream near Bass Pro shops on TechPort Drive. It is going to be a simple cruise in. Any kind of car is welcome not just Mustangs.

We may also give out some type of award to the top three cars. Sounds like a nice night out with the family for some ice cream. We are talking about having in one in May.

Jackets: Dennis and Scott are ordering club jackets for anyone interested that is a club member. There are 3 different jackets. #1 golfjacket mens type. #2 pullover with no hood #3 pullover with a hood. If you want your name its \$3.00 extra. The golf jacket is \$39.90 and the pullover hooded jacket is \$29.90. The color of the jacket depends on what type of jacket you want they only have certain colors in certain styles.

Scott Sipe needs pictures, old car ads, stories and digital photos of the events that you win at or just attend. Once again as always this is your newsletter so what goes into it is what you guys make it. He is looking for stories to feature the members cars also.

Our food for our Sept show at the AACA is going to be catered by Bumper Bobs if everything works out as planned. He has a bigger selection of food and also has coffee. Scott Miller is checking into this and Dennis has to check with the museum to see if it with be okay with them.

We need lots of volunteers for our show. We need everyones help and all help is greatly appreciated !!!!!!!!!!!!!!!!!!!!!

We ended the meeting at 9pm

Carlisle All Fords

We will again be sharing a tent this year with the Mustang Club of America at the Carlisle All Fords show. The club is looking for volunteers to help man the table to help the MCA as well as represent the MCCA. If you would like to volunteer, please see a Board member at an upcoming meeting or contact Scott Miller at scottyB52s@aol.com.

Members in Publications

Congratulations to Dave and Terry DePeau for having their 2005 Mustang GT published in the April 2007 Mustang Monthly edition. Their vehicle was part of a special article which displayed photos and descriptions of 2005-2007 Mustangs by owners from all over the country. If you haven't met Dave before, his 05 GT is a Torch Red coupe with white Le Mans-style strips. CJ Pony parts have installed many performance upgrades as well to Dave's Mustang. If you are interested in viewing the section of the article where Dave's Mustang was displayed, go out to the MCCA website under the newsletter forum and you will see a thread with the attachment for this article. Again Dave, congratulations!!!!

Cruise Info

If anyone is interested in keeping up with all the cruises happening around the area, see Dennis Fanale about how you can subscribe to the Cruise News publication. The cost is \$25 a year for the subscription.

Club Mailbag

Email from website:

I am requesting help in finding someone in your club who owns a classic Mustang convertible for my wedding Friday March 21, 2008 at the Antique Auto Museum in Hershey. The vehicle would be used to drive the wedding couple into the reception area while sitting in the back. Pictures would then be taken of the wedding party in and with the convertible. The contact at the museum for the wedding is Mike Patterson. Mike referred the MCCA as a possible source for this request. If anyone one is interested, please contact me at 717-512-2198 (cell) or 717-772-5433 (work). This would make my wedding extra special.
Denise Nornhold

If anyone in the club can help this couple with their wedding request, please contact Denise directly. This would great exposure for the club.

Mustangs in the News

Ford and Shelby announced the launch of the 2008 Shelby GT500KR, the most powerful Mustang to date. Inspired by the 1968 Shelby Cobra GT500KR, this King of the Road™ will offer and estimated 540 horsepower and 510 pound feet of torque.

Shelby Automobiles will use newly-developed Ford Racing GT500 performance packs to help transform a limited number of 2007 and 2008 Ford Shelby GT500's into fire breathing "Super Snake" coupes. The Super Snake post-title package will include enhancements to the Ford Shelby GT500's handling, styling and power; tuning options will range from a warranted 600 HP V8 to over 725 HP (unwarranted). Only a limited number of Super Snakes will be built per model year at the Shelby Automobiles facility in Las Vegas beginning in late 2007.

A 2008 Bullitt Mustang is said to be due out in either late 2007 or early 2008. The 2008 Bullitt Mustang is said to feature a plain painted black grille just like McQueen's 1968 Bullitt with no pony badge or lights of any kind on the grille. A 4.6L DOHC engine producing 400 horsepower is also being reported to be stuffed under the hood with parts from the Ford GT rounding out the motor. The limited edition Mustang will only be produced in Highland Green.

MUSTANGS

Are you are looking to sell your pony? Submit a description of your car, selling price and contact information to sipe1@comcast.net and have it listed in the newsletter for other members to view.

Other Area Mustang Clubs.....

We are always looking to form relationships with other Mustang Clubs, to attend their events and recruit them to attend our events. Two clubs that we exchange newsletters with are the Valley Forge Mustang Club and the Mustang Club of Maryland. Please take a moment to check their websites and maybe put their events on your personal schedule. They are:

www.valleyforgemustang.org
www.knightmagic.org/mcom.html

Member's information update.....

If you have moved, changed your phone number or email address, please forward this information to LENKGT50@aol.com so we can keep our membership database up to date to make sure you receive all club correspondence.

Attached with this newsletter is the official Pre-Registration Form for the 4th Annual MCCA Mustang Rally in Hershey. Please make as many copies as you like and help the club by distributing and posting wherever you can to promote the upcoming show. All help is appreciated. The more cars we have show up at the rally, the better. Remember, a portion of the proceeds from the Rally will go to the club's 2008 charity of choice.

Look for the next edition of the Central PA Mustang Gazette July 2007!!!!
